Archway expands Tennessee Office

Archway Systems, Inc. is expanding its Nashville, TN office for sales, support and training of engineering software. Tom Lazear, Co-Founder and Director of Archway, has moved to the Nashville area to join Danny Lazear in the Nashville office. Mike Lazear, President and Co-Founder of Archway, continues to lead the headquarters in Huntington Beach, CA.

Archway has always provided value added services as the Trusted Advisor for hundreds of public and private firms across the US, primarily as a Channel Partner for Bentley Systems. Because of the current COVID-19 pandemic, Archway's operations have become mainly virtual making it possible to support a wider geography.

Tom is still reachable through Archway's number at 714-374-0440 or via email at tom@archwaysystems.com. If you have any questions about this move, please email Tom.

Report: Bentley Has Your Back - ProjectWise 365

As part of Bentley's "Bentley Has Your Back" program, the **ProjectWise 365 subscription's fees are waived through September 30, 2020**. Bentley wants to help make your work-from-home challenges easier on your company and your employees.

ProjectWise 365 is an instant on, fully online solution for your company's collaboration needs. This helps your team share and collaborate when you are all working remotely. Share files and information, conduct design reviews, and manage contractual exchanges to maximize your productivity when working from home.

If your company has ever thought about getting into ProjectWise, ProjectWise 365 is a great way to get into it. Start today and have your fees waived through the end of September. Then, even when your team returns to the office, ProjectWise 365 can continue to help make your team more productive and more efficient.

Help make your employees' new work-from-home situation easier on them and easier on you! Contact Archway today if you want more information on ProjectWise 365 or to get started today!

Bentley's New Qualified Trainers Program

Bentley has introduced a new Qualified Trainer Program (QTP). The QTP designation is reserved for persons with qualified experience who take Bentley's new QTP classes and become certified.

As a Bentley Institute Product Training Partner, Archway has always kept up with the latest in Bentley software developments, but this program assures you, our customer, that you are getting quality training from certified trainers.

Archway's instructors are certified, or in the process of becoming certified, for MicroStation, OpenRoads Designer, OpenBuildings Designer and ProjectWise.

Currently, we are holding remote, live instruction classes due to COVID-19 restrictions. If you have any need for training during this time, search LearnMicroStation.com or contact nick@archwaysystems.com for custom classes.

We are a Bentley Platinum Channel Partner - Secure the best prices and service for your Bentley software needs. Buy with us today!

We are an Authorized Bentley Product Training Partner - See our current Class Schedule on LearnMicroStation.com
