Effective immediately and until at least April 15, here is what we are doing to help in these uncertain and difficult times:

1. All in-person user events are canceled.
2. Phone support will continue uninterrupted.
3. Sales help will continue via email and phone.
4. Open Enrollment classes at Archway will be replaced with remote online instruction at the same prices.
5. Onsite classes are available so long as instructor and students can stay 6 feet apart.
6. Archway will replace any onsite class with a remote class at the same price.

With these adjustments, our goal is to continue to provide excellent support, sales and training to help you continue to meet your goals. We will continue to keep you updated over the next few months and please reach out to us if you have any questions.
