2021 Bentley Civil User Conference - June 15-18

Registration is now open for the Bentley Civil User Conference that starts on June 15th! This year the conference will be a live virtual conference featuring **complimentary** sessions for the full week of **June 15-18th!**

There are sessions for all Civil users including **OpenSite**, **OpenRail**, **OpenRoads**, and **OpenBridge!** Each hour long session gives you the chance to see what's new in each of these software and how to best leverage them for your work. Check out sessions like "OpenRail: Building Intelligent BIM Models with OpenRail Designer", "OpenRoads Designer: The Ultimate Roadway Design Software" and "OpenSite: Hang up that 2D Site Design Process For An Exciting Automated 3D Modeling Workflow".

Registration is free so sign up today!

Report: Bentley Software Training

Do you need training on software other than the big three: MicroStation, OpenRoads, or ProjectWise? Great news! Archway is certified to teach a number of different products and can help you get up to speed quickly.

Our trainers are skilled in a number of different software and can set up custom classes for your needs. In addition to the big three, we can teach classes in any of the following software:

- OpenCities Map
- OpenRoads ConceptStation
- OpenSite Designer
- OpenRail ConceptStation
- OpenRail Designer
- OpenBuildings Designer
- LumenRT
- Descartes
- Bentley Pointools
- ContextCapture
- WaterCAD/GEMS
- SewerCAD/GEMS
- CivilStorm
- STAADPro
- STAADPro Advanced
- STAADPro Foundation
- RAM Steel
- RAM Concrete
- RAM Connection
- RAM Concept
- RAM Structural System
- RAM Elements
- OpenPlant P&ID
- OpenPlant Modeler

Whatever your Bentley software training needs are, we can help! Call Archway today or email tom@archwaysystems.com to talk about your company's training needs so we can put together a plan tailored just for you!

Nominations Close Soon!

The Annual Going Digital in Infrastructure Awards nominations deadline has been extended! Now nominate your project by **June 4th!** If you haven't finished (or started) your nomination, you still have time!

The recognition your company can earn from these awards is fantastic! Compete against projects from around the world using Bentley software. All nominees get their project published in the [Infrastructure Yearbook](#) which can be viewed online at anytime.

Check out this [Promo Video](#) for quick info about the competition and this [Submission Video](#) for help with how to submit your project.

Nominate Your Project Today!

USC is hosting their annual BIM BOP live online this year! This two day event will feature over 20 speakers! Join us on **Thursday and Friday, June 24-25th** for lectures, a panel, and, of course, the BIM BOP fast-paced session featuring 10 speakers!

The panel is focusing on Diversity, Equity and Inclusion in BIM and Technology. And don't miss the BIM BOPs where you can hear from one of Archway's own, Raquel Sanchez, speaking on innovation technology for facilities management.

For more information including conference agenda and speaker lineup, [check this PDF out!](#)

This year, the conference is free! Registration is open now but limited to 500 due to Zoom participation limits. Sign up today so you don't miss out!
