SELECT Reinstatement Special - Extended until Oct 31st

Have you been off SELECT for a while? Check in with Archway to see how you can get back on SELECT for the least cost. Bentley is always updating their software and with SELECT you get all the updates and new releases at no extra charge. You also get concurrent licensing where one license can be used by many non-concurrent users, on-demand pre-recorded training at no cost, Bentley support, portfolio balancing and more.

This deal has been extended until the **end of October**. So contact us today to get back on SELECT without paying back fees! Just pay for the year ahead, and you're good to go. But this great deal will end **October 31st**, so be sure to call or email Archway for this reinstatement deal today!

Report: Get Ready for Year in Infrastructure

We are all eagerly awaiting the Year in Infrastructure 2021! This year, the conference is being held December 1-2, 2021 - virtually! You can join from wherever you are. The main focus and end of of the conference is the Going Digital in Infrastructure Awards and this year will not disappoint. Come watch and see the finalists in each of 19 different categories. Check out [Bentley's website](#) to get a first look at the finalists today!

Alongside the Going Digital Awards, hear keynote presentations from Greg Bentley, Katriona Lord-Levins, and Nicholas Cummins. On Wednesday, December 1st, listen to **CEO Greg Bentley** talk about the challenges and stories about going digital in infrastructure this year including industry trends, innovations, and the latest research. On Thursday, December 2nd, learn from **Chief Product Officer, Nicholas Cummins**, about the most innovative digital advancements in infrastructure today and finding sustainable solutions.

This conference is always a great addition to the year to see where Bentley is headed and celebrate the amazing projects from around the world this year. [Register today](#) to make sure you are reminded as December approaches. You don't want to miss out!

PowerDraft Users Get a Free Upgrade to MicroStation

Here's a great deal for our PowerDraft users! Effective October 1, 2021, PowerDraft is no longer being sold and will eventually no longer be updated or supported. If you are a PowerDraft user, Bentley is giving you a gift of the difference in perpetual license price: \$3519 of upgrade value!

Virtuoso Subscriptions

Need a new license of MicroStation? An annual subscription price for a named user license of MicroStation is just \$1995! Sign up for a Virtuoso Subscription to take advantage of one of the most economical ways to purchase MicroStation.

If you need a few additional licenses to head off QTLs or you have a short term

What can you do with that? You can portfollio balance to other products you need more or use the extra features found in MicroStation such as 3D, photorealism, and more.

You can read more about the upgrade by clicking the button below.

[Read the FAQs Here](#)

peak workload, grab a Virtuoso Subscription of MicroStation today!

The only catch is that it is a named user license rather than a shared license like CSS or a perpetual license. Call Archway today to discuss which options are best for you!
