In Person Bentley Bash - Anaheim 2022

We are so excited to see you all again! Save the date now for the next **in-person** Bentley Bash at the Digital Built Week Americas (DBW) Conference at the Anaheim Convention Center in Anaheim, CA **June 14-16, 2022!**

We will have hands-on workshops and lectures taught by Archway and Bentley experts. We will be covering software including MicroStation, ProjectWise, OpenRoads, OpenBuildings, SYNCHRO and RAM Structural System. We will feature new classes like "RAM Structural System: What is it thinking?!?" and "OpenBuildings - iTwin Services" and of course have some of your favorites like "MicroStation Tips & Tricks", "AccuDraw Basics", and "OpenRoads Designer Tips & Tricks".

You also will receive free access to the Exhibit Floor of the DBW Conference for attending the Bentley Bash!

We are so excited to offer you this in person event again and hope that you are as excited to join us. Registration opens **this Friday, April 22nd at 9am PDT**.

Registration Opens Friday, April 22nd at
9am!

- Grid
- Process and Power Generation
- Rail and Transit
- Roads and Highways
- Structural Engineering
- Surveying and Monitoring
- Water and Wastewater

Submission
Deadline
May 23, 2022

Bentley

Nominations are now open for the *Going Digital* in Infrastructure Awards! These awards are the highlight of the infrastructure industry each year. They are a global competition that recognizes digital advancements in infrastructure.

Since 2004, the awards program (formerly the Year in Infrastructure Awards) has recognized over 4,400 of the world's most outstanding infrastructure projects. Participation

benefits include:

- Chance to win a trip to London - all 36 finalists get a sponsored trip to present their projects before jurors, peers, and industry press.
- Global recognition by being profiled in Bentley's Infrastructure Yearbook, a prestigious publication distributed to media, government, and industry influencers all over the world.
- Winners get featured in a global press release, by strategic media partners, and receive a custom, hand-made Winner's trophy.
- An opportunity to share your story through user presentations at Bentley-hosted events, webinars, and industry conferences.

All you need is to complete the submission form, submit at least 3 hi-resolution images of your project and add any additional videos, walkthroughs, simulations, or other supporting material you would like.

Archway has helped many finalists and several winners in past years. Please reply to this email if we can help you with selecting a project or with the submission process. We want to help you win this year!

Submission deadline is **May 23, 2022**. Click below for more information about the 12 categories, the awards, and to start your submission process.

Going Digital Awards

Virtuosity Subscription Prices are Going Up May 1st

Do you have any need for an annual product subscription for MicroStation or other Bentley products? Buy from Virtuosity now!

Due to the inflation the whole country is experiencing, Bentley is raising prices. But Virtuosity subscription prices haven't gone up just yet! Get in while you can at the current prices.

Prices go up on May 1st, so act fast!

Also if you want to purchase a Virtuosity subscription, but need to purchase via Purchase Order instead of a credit card, email tom@archwaysystems.com for a quote!

Make Use of the \$1 trillion Infrastructure Bill

With the new federal \$1 trillion infrastructure bill comes \$176 billion for roads, highways, bridges, rail and related. Rebuilding roads, highways, bridges, rail and related will require nearly \$20billion of planning, engineering, design and construction management services. The federal DOT, 47 of the state DOTs and the USACE all utilize Bentley software such as MicroStation, OpenRoads, and SYNCHRO for engineering the corridors, getting out the drawings and managing performance in the office and the field.

If you need any Bentley software, training or consulting, Archway Systems, is here to help. As a Bentley Channel Partner (for over 30 years), Training Partner, and Virtuosity Partner, we are uniquely positioned to guide you to the software product and training necessary to qualify you for the most projects.

Archway provides both pre- and post-sales support, plus onsite or remote class training. And we guarantee to get you the lowest prices Bentley has to offer. Please call on us if you have any need for Bentley software products.
